MEMORANDUM FOR: Chief, Support Staff, NPIC

ATTENTION: Chief, Logistics Branch

SUBJECT: Justification for Purchase of [ ] Anamorphic Lens

25X1

1. An evaluation has been made of both the [ ] Ana-  
morphic Lenses by the Photographic Analysis Group. It is concluded  
that the [ ] system is much better than the [ ] system mainly  
through presenting an image to the viewer that is not inverted as  
it is in the [ ] system. The [ ] system also presents a more  
stable interpupillary adjustment.

2. The anamorphic lenses are necessary for detailed reporting  
procedures in conjunction with oblique photography. It has been  
concluded that four (4) [ ] systems will fulfill this requirement.  
Appropriate action is therefore requested for procurement of four (4)  
[ ] Anamorphic Lens systems for the Photographic Analysis Group.
